## 12. Legal status

The product complies with the **German and European food regulations** by the respective currently applicable version.

The product is not derived from genetically modified organisms, nor does it contain such or is prepared from these. Thus, there is no labeling requirement. Product and packaging do not contain intentionally engineered nanomaterial, so that they are not classified. The goods were not subjected to artificial ionizing radiation.

It complies with the **Novel Food Regulation (EC) No 258/97** and the Implementing Decision 2013/50/EU.

This specification provides a guide. Variations in appearance, composition, taste and smell due to the natural origin of the ingredients. The above specification is based on information provided by our suppliers. We recommend that you check the suitability of our products through own tests.
