ABOUT US

GB-Foods GmbH, based in Schillingsfürst, is an importer and wholesaler for baking ingredients, spices, superfoods and dietary supplements.

Through our years of experience in various craft and industrial bakeries, we have accumulated a great deal of knowledge about our products. Therefore, we offer an extensive range of baking and specialty seeds in organic and conventional quality. In addition, we have dealt extensively with the topic of superfoods and spices in recent years and were able to acquire extensive knowledge here, as well as establish contacts to reliable producers in the origin.

As a family company, we attach great importance to close contact, both with our customers and with our business partners such as producers. We offer our customers high-quality products at fair prices and are active around the world for this purpose.

In addition to wholesaling and retailing, we serve industrial and craft bakers, but also oil mills and internet dealers in Germany and throughout Europe.

WHAT WE OFFER

With us you are not just a number - our customers are our business partners. In order to be able to support you optimally, we offer various services so that your product covers as few distances as possible.

If you are interested, we will be happy to make you an offer tailored to your situation.

Feel free to ask, our staff will be happy to advise you.
